**Portable loudspeaker**

**Operating instructions**

**English**

**Safety and maintenance**

Read the safety instructions carefully before use. Note the warnings on the device and in the operating instructions. Always keep the operating instructions close to hand. If you sell the equipment or give it away, make sure you also hand over these instructions and the guarantee card.

**Proper use**

- This product is designed to relay the output signal from portable audio equipment, e.g. MP3 player or CD player, via the 3.5 mm audio output.
- The loudspeaker is not intended for use in heavy industry companies.

**Operating safety**

- Never put yourself at risk by opening the loudspeaker housing! Parts requiring maintenance are not included.
- This product is not intended for use by people (including children) with reduced physical, sensory or mental abilities or for those without experience and/or knowledge, unless they are supervised by a person responsible for their safety or they have been instructed on its use. Children should be supervised to ensure they do not play with this product.
- Keep packaging material out of reach of babies and children. There is a risk of asphyxiation.
- Stop using the product if the casing or cable is damaged. Please contact the service centre if this is the case.

**Electromagnetic compatibility**

- Keep the product at a distance of at least one metre from high frequencies and magnetic sources of interference in order to avoid malfunction.
- Do not use any accessories other than those supplied.

**Repairs**

Please contact our service centre if you have any technical problems with your loudspeaker. Repairs should only be performed by our authorised service partners.

Please contact our customer service if:
- ...liquid has seeped inside the unit.
- ...the loudspeakers are not working properly.
- ...the product has been dropped or the housing is damaged.

**Cleaning**

- Wipe the loudspeaker down with a slightly moistened cloth. Do not use solvents, corrosive or aerosol detergent to clean the product.

**Disposal**

**Product**

At the end of its service life, the product should not be disposed of with the household rubbish. Please enquire about the options for environmentally friendly disposal.

**Batteries / rechargeable batteries**

Do not dispose of used batteries/rechargeable batteries in the household rubbish! They should be taken to a collection point for used batteries.

**Packaging**

Your loudspeaker has been packaged to protect it from damage in transit. The packaging is made of environmentally friendly material which can be recycled.

**Technical Data**

- Integrated amplifier
- Power output 0.8 Watt RMS
- Integrated 300 mAh Li-ion battery (rechargeable via USB interface on PC)
- On/Off switch with volume control
- Integrated audio cable with 3.5 mm jack

**Dimension/weight**

- closed: approx. 3.5 cm
- open: approx. 5.5 cm
- approx. 54 g

**Contents of package**

- Loudspeaker
- USB cable
- Operating instructions
- warranty card

The red power light will come on if the battery is charging. The power light will go out as soon as the battery is fully charged.

**Opening / closing the loudspeaker**

You can also open the loudspeaker for additional amplification.

1. To do this, turn the top part of the loudspeaker to the right.
2. To close the loudspeaker again, press firmly and turn the top part of the loudspeaker to the left. Use the triangular marking as a guide. The loudspeaker is not fully closed until the line and the triangle form an arrow at the marking point.

**Start-up**

**Connecting the loudspeaker**

Plug the 3.5 mm jack on your loudspeaker into the audio output of your audio equipment.

**Switching the loudspeaker on**

Move the on/off switch to the left. The green power light will come on.

**Playback**

Now start the playback via the audio equipment. The sound will be transmitted via the loudspeaker.

**Switching the loudspeaker off**

Move the on/off switch to the right. The power light will go out.

**Operation**

**Setting the volume**

The volume is principally controlled via your audio equipment. In addition, you can also choose between two volume levels on the loudspeaker.

- Volume control all the way to the left = loud
- Volume control in the middle = quiet

**Charging the battery**

1. Insert the mini USB plug on the USB cable into the USB connection on the loudspeaker.
2. Plug the other end of the USB cable into a free USB slot on your computer.
   The orange power light will come on if the battery is charging while music is being played.
Restricted Warranty

1. General Conditions of Warranty

This warranty covers defects relating to workmanship and manufacture in MEDION products. The period during which this warranty is valid and during which claims against the warranty can be made to MEDION must be in accordance with the following terms in order to be considered eligible:

- It is effective from the date of purchase or receipt of the MEDION product from an authorised seller of MEDION products;
- It expires at the end of the warranty period specified on the warranty card provided with the product.

For the warranty to be valid, you must:

- Provide suitable evidence of purchase, a copy of the original purchase receipt from an authorised seller of MEDION products is preferred;
- Register your product within 28 days of purchase either online at www.MEDION.co.uk or by completing and returning the pre-paid registration card included with the product.

Please keep the original purchase receipt and the warranty card in a safe place. MEDION and its authorised sellers respect the right to refuse a repair under warranty or a warranty confirmation if a proof of purchase [or registration of purchase] cannot be established, or has not been submitted.

This warranty shall be void and you may be required by MEDION to reimburse MEDION for the reasonable costs of postage and packaging before MEDION will return the product to you. If so and you would still like MEDION to repair or replace the product, MEDION may do so but you will be charged MEDION’s standard rates for repair and replacement for this service.

Before returning the product, please contact MEDION via the service hotline or via the internet (www.MEDION.co.uk). You will receive a reference number (RMA No.) on the warranty card. Please mark the outside of your package to ensure that this reference number is clearly visible. Please submit a letter containing as much detailed information as possible and, a full description of the defect or fault. This should include:

- a description of the fault;
- when it occurred, how long it has been evident and how frequently it occurs;
- any errors message(s) displayed when using the product;
- a description of the circumstances(s) and conditions in which the fault occurred; and
- whether it is an intermittent or persistent fault.

This will greatly assist MEDION in identifying the defect, when submitted together with the defective product.

2. Scope

Subject to any exclusions set out within this warranty, where there is a defect in your MEDION product covered by this warranty, MEDION will repair or replace the MEDION product. The decision whether to repair or replace the product will be made solely at the discretion of MEDION. MEDION may, in its own discretion, replace the product returned for repair under warranty with a replacement product that is either identical or, in the event that such product(s) are no longer available, a product of equal or superior specification and quality.

No warranty is given for batteries or rechargeable batteries or for consumable materials subject to wear and tear, i.e. for parts which have to be replaced periodically during the normal use of the product, such as video-projector lamp.

Non critical failures that fall within industry specified tolerances (e.g. noise, LCD pixels not covered by this warranty. Please consult the appropriate section in your user or instruction manual for this product for exact specifications and tolerances.

To the extent which is permitted under law, MEDION will accept no liability for burnt-in images on plasma or LCD products as a result of normal wear and tear during the operation of the product. Please refer to your user or instruction manual for this product for detailed operating instructions for your plasma or LCD product.

The warranty does not cover errors relating to the playback of data media in an incompatible format or created with unsuitable software.

If it is found during repair or assessment that the defect concerned is not covered under warranty, MEDION reserves the right to invoice you for all reasonable costs incurred by MEDION.

These costs will be in relation to the return of the product, including reasonable administration costs, plus reasonable costs for materials used and labour provided when repairing or replacing the product. This is subject to MEDION providing you with an estimate for carrying out such work prior to costs being incurred and that you have accepted the estimate.

You are entitled to seek independent advice or instruction relating to your product if any of MEDION’s findings, MEDION will not be liable for any costs incurred to you when doing so.

3. Exclusion from warranty

To the extent permitted by law, this warranty shall be void in the event that defects or loss caused by:

a. Failure and damage resulting from the operation of the product in an environment other than that recommended in the accompanying user or instruction manual (e.g. in direct sunlight or in a damaged condition);

b. Accident;

c. Use other than in accordance with the accompanying user or instruction manual;

d. Modifications, conversions, expansions, maintenance and/or repairs made to the MEDION product by unauthorised repairers or use of unauthorised third party parts;

e. Negligence;

f. Virus attack or software errors; or

g. Improper transportation or packaging during return of the product.

This warranty will also be considered void if labels or serial numbers of the product or of a component of the product are modified or made illegible.

The extent permitted by law, MEDION shall only be responsible for losses which are a reasonably foreseeable consequence of the relevant defect in the product. MEDION will not be responsible for any costs incurred in relation to software configuration; economic loss; loss of opportunity; loss of income; or loss of data or software arising out of its repair or replacement of a MEDION product under this warranty.

4. Service Hotline

Before returning the product to MEDION you must contact us using the service hotline or via the internet (www.MEDION.co.uk). You will receive further instructions for making your claim under warranty when you call.

The service hotline is available on 362 days in the year including Sundays and bank holidays but excluding Christmas day, New Year’s Day and Easter day. The service hotline is subject to [national rate] telephone call charges. These charges are subject to change. The date of your call will be stated at the beginning of the call.

II. Special warranty conditions for repair on site or replacement on site

If a claim for repair or replacement on site is included within the terms of the warranty card provided with the product, the special warranty conditions for repair or replacement of your MEDION product on site apply.

The following provisions must be made by you for carrying out repairs or replacements on site:

- MEDION or its authorised personnel must have unimpeded, safe and immediate access to the products.

- Telecommunication facilities required by MEDION or its authorised personnel for proper execution of your order, for testing and diagnostic purposes and for remedying faults are provided by you at your own expense.

- You are responsible for restoring the application software after the repair services have been carried out by MEDION or its authorised personnel.

- You must take all other necessary steps to enable MEDION or its authorised personnel to carry out your order properly.

- You are responsible yourself for connecting and configuring any existing external peripheral products after MEDION or its authorised personnel have carried out their repairs.

- The free cancellation period for repairs or replacements on site is 24 hours, thereafter our reasonable costs resulting from late or missing cancellation shall be invoiced at your expense.

Customer service

What to do in case of malfunctions

Make sure that the loudspeaker is correctly connected to the audio equipment.

Make sure that the loudspeaker battery is charged, i.e. the green power light is on. If the loudspeaker cuts out during operation, the battery is probably flat and needs to be recharged.
